Professional Summary

Motivated B.Tech Computer Science student with a strong interest in software development, artificial intelligence, systems programming, and problem-solving. Eager to apply technical knowledge in practical environments, learn emerging technologies, and contribute effectively to collaborative engineering teams. Quick learner with a solid foundation in programming and computer science fundamentals. **Education**

Bachelor of Technology (B.Tech) – Computer Science

Andhra University

Expected Graduation: 2028 CGPA:

7.3/10

Technical Skills

- **Programming Languages:** Python
- **Core Subjects:** Data Structures, Algorithms, Operating Systems, Database Management Systems • **Web Technologies:** HTML, CSS, JavaScript

Academic Coursework

- Data Structures and Algorithms
- Object-Oriented Programming
- Database Management Systems
- Operating Systems
- Computer Networks
- Software Engineering

Projects

Weather forecast website

Strengths

- Problem-solving
- Quick learner
- Team collaboration
- Strong analytical thinking
- Adaptability **Languages**

English, Telugu, Hindi
